

Samaritan Center's Congregation Assistance Program is a partnership to provide professional counseling services for members of your congregation. At no initial cost to you, we will send you 10 vouchers that can be redeemed by your congregation members for 10 professional counseling sessions with any of our certified, licensed counselors. The member pays just \$20 per session and the Center invoices your congregation at the end of the month for the redeemed vouchers only at the reduced rate of \$70 per voucher.

Our standard rates of service are \$135 for initial assessment and \$100 for subsequent sessions. However, as your partner in ministry in the Congregation Assistance Program, the Center discounts these rates to a total of \$90 total per session.

## Congregation Assistance Program

Ensuring that Hurting Members of Congregations Receive High Quality Counseling Services

**"Providing vouchers to our parishioners is a way of supporting them when they need therapy. Referring them to the Samaritan Center is a guarantee that they will receive quality service." -Fr. Bill Schooler, St. Pius X**
